SUMMARY OF INCIDENT

On January 19, 1994, at approximately 2344 hours, Deputies Brian Barre and Edward Everett were working the Vermont District of Lennox Station. They were driving northbound in the alley on the west side of Vermont Avenue, approaching 98th Street. It was very foggy and difficult to see for any extended distance.

When they arrived at 98th Street, a male Black adult who was standing on the southeast corner of 98th Street and the alley, said "one time" (Street slang to warn that the police are approaching).

Deputy Everett turned out of the alley to eastbound 98th Street. Deputy Barre, who was the passenger deputy, saw a male (Suspect Lucious) standing in the rear parking lot of the Quick-N-Split Restaurant (Exhibit A), that is located on the southwest corner of Vermont Avenue and 98th Street. Suspect Lucious was crouched over, and removed a dark object from near his right ankle. Lucious brought the object up to his waist area and then ran eastbound toward Vermont Avenue. Because of the size of the object and Lucious' suspicious actions, Deputy Barre believed Lucious was armed with a hand gun.

Deputy Barre exited the radio car and pursued the suspect through the parking lot of the Quick-N-Split, to southbound Vermont Avenue. During this time Deputy Everett drove the radio car paralleling Deputy Barre, to keep him in view.

Suspect Lucious ran into the number three lane of Vermont Avenue, around a large truck, loaded with tires, which was parked in front of 9815 South Vermont Avenue. Deputy Barre ran southbound on the sidewalk and stopped next to the truck when he heard Lucious collide with the truck, (Exhibit B).

Suspect Lucious ran from the truck in a southwesterly direction, to the driveway of the Vermont Motel, located at 9823 S. Vermont Avenue. Lucious stopped and turned facing Barre still with his left hand near his waist. At this time Lucious fired one shot at Deputy Barre. Barre then fired three shots at Suspect Lucious, and then took cover in the doorway of the building at 9815 S. Vermont Avenue, (Exhibit C).

Suspect Lucious fell to the ground, regained his footing, then turned, facing Deputy Everett who had driven the radio car to the entrance of the driveway to the motel, (Exhibit D). Lucious then pointed his weapon at Everett. Fearing for his life, Everett fired nine shots, from inside the car, at Lucious, who ran westbound through the motel parking lot.

Several of the shots fired by Deputy Everett struck the cinder block fence that runs along the west side of the motel parking lot. One of the rounds struck the house west of the wall, across the alley from the motel, (Exhibit E).

During this time a request for assistance was made, and the assisting units responded and contained the immediate area within minutes of when the shots were fired.

Witness [redacted] stated that he was standing at the door of the furthest west downstairs room of the motel, when he heard several shots. He said he did not know who fired the shots because his view was blocked by a wall that was between him and where the shots were being fired.

Suspect Lucious, who had been struck in the right foot by one of the rounds (Exhibit F), ran to the

northwest corner of the motel parking lot (Exhibit G), and stopped. Blood stains and splatters would indicate that he removed his right shoe and then threw the shoe and hand gun he was carrying, over the north fence (Exhibit H).

Suspect Lucious then climbed over the west cider block fence into the alley west of the motel. He entered the rear yards west of the alley and made his way westbound through the rear yards, to the carport of the apartment building located at [redacted] (Exhibit I).

Suspect Lucious then went to the apartment of Witness [redacted] (Exhibit J) located at [redacted], and knocked on the door.

Witness [redacted] stated that Suspect Lucious asked to enter her apartment because he had been shot. Witness [redacted] refused him entry. Lucious then asked [redacted] if she would telephone his mother and then gave [redacted] the phone number. Lucious told [redacted] to tell his mother that he would meet her at the comer of 99th Street and Vermont Avenue. Witness [redacted] said she then closed the door. After closing the door, she dialed 911 and told the deputy at Lennox Station that there was a man outside her door who was shot.

This information was given to the field units who ultimately arrested Suspect Lucious, who was hiding in the [redacted] next to Witness [redacted].

Suspect Lucious was treated at the scene by paramedics for a gun shot wound to the right foot. He was then transported to Centinella Hospital for further treatment.

Prior to Suspect Lucious being transported to the hospital, Deputy Barre positively identified Lucious as the person who fired the shot at him.
